RESOLVED COMPLAINTS:		

**Compliance Check Inspection
Lambda Energy Resources LLC
B9164 Paradise 19 CPF**

This inspection was conducted to fulfill the AQD's responsibility to ensure protection of the public health under the limitations inherent during the COVID 19 disease outbreak. This inspection was observational in nature and did not involve any face to face contact with source employees.

While in the area for a scheduled inspection on April 1, 2020, I conducted a compliance check inspection of the Paradise 19 CPF and observed the following:

PTI or ROP: PTI 657-96A

Facility Operating Status: Operating

Equipment Operating: Flare, 8 Tanks and VRU, 1 compressor/engine (natural gas fired), 1 Glycol Dehydrator.

Any Visible Emissions?: No. Flare had flame but no smoke.

Any Odors?: Mild odors downwind of the tanks.

Any Unusual Activities (new construction, new equipment, evidence of spills, etc.)?: No.

Any Compliance Concerns?: No.
