Subject: Violation notice for establishment 6300078. Earls Cleaners

CAUTION: This is an External email. Please send suspicious emails to abuse@michigan.gov

See the attached providing the violations. The dates of the violations are 10/17, 10/24, and 10/31 of 2023.

The cause of these violations were due to being short handed and overlooking the temperature logs and perc records.

Corrective action has been taken on 11/2/23. A reminder is set on my phone for every Monday and there is a sign posted for employees incase I am not at work on Monday as a back-up.

Please let me know if there is any information I haven't provided and I will be happy to send it out to you ASAP.

Thank you!
