VIOLATION NOTICE

In January 2018, the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD), notified Aristo Industries of the requirement to submit a 2017 air pollution report, with the required submittal date of March 15, 2018. In response to the non-submittal of this report, a second letter was sent on April 4, 2018, requesting immediate submittal of the Michigan Air Emissions Reporting System (MAERS) forms required pursuant to Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451) and by Air Pollution Control Rule 2 (Michigan Administrative Code R 336.202). A copy of the April 4, 2018, letter is enclosed for your reference.

At this time, we still have not received Aristo Industries complete MAERS submittal and you are hereby notified that this constitutes a violation of the above referenced act and rule. Please submit the MAERS reporting forms within (14) days of the date of this letter.

If Aristo Industries believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.
