*Response to VN N7578*

Good Morning Sam,

As per our conversion our 14211 Mold Release is not in violation. We have been in touch with Chem Trend and the Volatile Organic Content is 6.04 not 8.0 as reported. We will be getting new C OF A'S from Chem Trend

*Scanned & posted  
dc  
1/17/17*

To Verify the findings of 14211 Mold Release. As soon as I get this information I will forward the information to You. We will also respond to the violation stating that the Volatile Organic Content is 6.04 not 8.0. If you have any question please call or e-mail.

Thanks

*Tom Robertson
