Dear Mr. Borowski:

VIOLATION NOTICE

On April 2, 2018, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Premier Finishes, LLC located at 28060 Groesbeck Highway, Roseville, Michigan. The purpose of this inspection was to determine Premier Finishes' compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and Consent Order AQD number 4-2010.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Two surface coating lines (spray painting booths).	R 336.1201(1)	The company failed to obtain an authorized permit to install (PTI) as required per R 336.1201(1). The coating lines are not exempt from R 336.1201(1) per R 336.1287(2)(c) because the company could not provide monthly coating usage records upon request.

During this inspection, it was noted that Premier Finishes, LLC had installed and commenced operation of unpermitted equipment at this facility. The AQD staff advised Premier Finishes on April 2, 2018, that this is a violation of Act 451, Rule 201.

Be advised that Rule 201 requires that a permit be obtained prior to installation, construction, operation, reconstruction, relocation, or alteration of any process or process equipment which may be a source of an air contaminant.
