RESOLVED COMPLAINTS:		

A visit was made to Ferguson Enterprise, Inc., located at 14385 Wyoming in Detroit, on September 26, 2017, for the purpose of performing an inspection. When I arrived on site, it was evident that the facility is no longer in operation and the building had been vacant for some time. The gate and doors were locked, there was debris piled near the entrance of the parking lot, and there did not appear to be any yard maintenance being performed on the property. There were no signs with the facility name on the building. A Google search of the company name and address seems to verify that the facility is no longer in operation.

Based on this site visit, Ferguson Enterprise, Inc. at 14385 Wyoming in Detroit is determined to be permanently closed at this time.
