LOCATION: HELENA 25 CPF, ALDEN		DISTRICT: Cadillac
CITY: ALDEN		COUNTY: ANTRIM
CONTACT: Natalie Schrader , Technical Assistant		ACTIVITY DATE: 06/05/2019
STAFF: Rob Dickman	COMPLIANCE STATUS: Compliance	SOURCE CLASS: SM OPT OUT
SUBJECT: Inspection to confirm a void request for Permit to Install 183-08C.		
RESOLVED COMPLAINTS:		

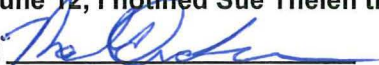

A request was sent to void Permit to Install 183-08C. Jodi Lindgren and I performed an inspection at this facility per this request. An inventory of pertinent equipment is as follows:

Engine 1, CAT 3516TA without catalytic controls, Unit 868  
One small glycol dehy  
No AST's or heaters

An email dated April 23, 2019 from Shane Nixon indicated that the permit could not be voided until the CAT 3406 was removed from the site. This engine has been removed.

On June 12, I notified Sue Thelen that this permit was good to void.
