Dear Tom Nemetz:

**VIOLATION NOTICE**

On August 4, 2022, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Iron City Enterprises located at Wildwood Rd, Menominee, Michigan. The purpose of this inspection was to determine Iron City Enterprises compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; the conditions of Permit to Install (PTI) #181-20A; and Consent Order AQD #2021-12.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
FGCRUSHING	Paragraph 10.A of AQD #2021-12	The facility did not submit quarterly reports within the timeframe specified in AQD #2021-12.

Iron City Enterprises did not submit the required four (4) quarterly reports containing the monitoring and recordkeeping requirements as described in Section VI for FGCRUSHING in PTI #181-20, as amended, to the AQD Marquette District Supervisor, within thirty (30) days following the end of each full calendar quarter in which the data were collected.

AQD received the required quarterly reports on August 9, 2022, with updates received on August 10, 2022. AQD believe these reports constitute an adequate response to this Violation Notice. The reports provide the monthly material processed, yearly throughput rate based upon the most recent 12-month rolling time period, and watering/dust suppressant records. A written response to this Violation Notice by the facility is not required.

Please be advised that all violations are reviewed by the AQD Enforcement Unit to determine if further enforcement action is appropriate.

If Iron City Enterprises has additional information to provide in response to this Violation Notice, please submit the written response to EGLE, AQD, Marquette District, at 1504 West Washington Street, Marquette, Michigan 49855 and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

If Iron City Enterprises believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of Iron City Enterprises. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Lauren Luce
