Dear Mr. Burnash:

**SECOND VIOLATION NOTICE**

On May 13, 2020, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Burnash Wrecking Company (Company) located at 1620 Industrial Avenue, Flint, Michigan. The purpose of the inspection was to determine the Company's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the Air Pollution Control Rules; and to investigate a recent complaint.

On June 3, 2020, the AQD sent the Company a Violation Notice (VN) citing a violation discovered because of the inspection and requested the Company's written response by June 24, 2020. A copy of this VN has been enclosed for your reference.

Please be advised that failure to respond in writing and identify actions the Company will take or has taken to resolve the cited violation may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated June 3, 2020 by August 14, 2019, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

Mr. Martin Burnash
