Dear Brett Taylor:

### **VIOLATION NOTICE**

On June 20, 2022, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), received a PEAS complaint (24509) from the Chesaning-Brady Fire Department that the facility is open burning at Makana Fields located at 1141 Edenway Street, Suite B, Chesaning, Michigan.

This constitutes a violation of Rule 310 of the administrative rules promulgated under Act 451, which prohibits open burning of refuse, garbage, or any other waste material at any business or commercial operation.

In order to comply with Rule 310, Makana Fields is advised to immediately discontinue any open burning.

EGLE encourages the reuse and the recycling of wastes whenever possible. However, any waste that cannot be reused or recycled must be properly disposed of in accordance with Part 115, Solid Waste Management, Section 11512(1) of Act 451. Additionally, if Makana Fields decides to incinerate their waste, it must be incinerated in a properly designed incinerator. An approved permit must be obtained from EGLE before commencing installation of any incinerator. An application form is available by request, or at the following website: [www.michigan.gov/air](http://www.michigan.gov/air).

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by July 13, 2022 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

Please submit the written response to EGLE, AQD, Bay City District, at 401 Ketchum Street, Suite B, Bay City, Michigan 48708 and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

If Makana Fields believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of Makana Fields. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,
