Dear Ms. Williams:

SUBJECT: Consent Order AQD No. 17-2017, Stipulated Fines

On November 17, 2017, the Department of Environment, Great Lakes, and Energy (EGLE), formally the Department of Environmental Quality (DEQ), Air Quality Division (AQD), and MWV Environmental Services (Company) entered into a Stipulation for Entry of Final Order by Consent (Consent Order) AQD No. 17-2017, to resolve violations of Section 112 of the federal Clean Air Act (CAA), 42 USC 7412, the federal National Emission Standards for Hazardous Air Pollutants (NESHAP), Title 40 of the Code of Federal Regulations (CFR), Part 61, Subpart M; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, MCL 324.5501 *et seq.*, and Mich Admin Code, R 336.1942. In a Violation Notice dated August 19, 2019, the AQD cited the Company for violating terms and conditions of the Consent Order.

Paragraph 12 of Consent Order AQD No. 17-2017, in part, puts forth the following conditions:

“On and after the effective date of this Consent Order, the Company shall fully comply with the National Emission Standards for Hazardous Air Pollutants (NESHAP), Title 40 of the Code of Federal regulations (CFR) Part 61, Subpart M...”

Furthermore, Paragraph 15 of the Consent Order AQD No. 17-2017 reads, in part:

“On and after the effective date of this Consent Order, if the Company fails to comply with paragraph 12 of this Consent Order, the Company is subject to stipulated fines of up to \$1,000.00 per violation.”

After reviewing the Violation Notice and the Company's response to the violations, the AQD has determined the amount of stipulated fines to be \$500.00.

Specifically, EGLE alleges that the Company left visible emissions by leaving pieces of Transite siding in the area around the structure located at 12078 Cherrylawn Street which had become regulated asbestos-containing material (RACM) during removal.

The Company is hereby requested to submit the stipulated fines of \$500.00 in accordance with the provisions of Paragraph 15 of Consent Order AQD No. 17-2017 by November 4, 2019. To ensure proper credit, all payments shall include the Agreement Identification No. AQD40176-S on the face of the check. Stipulated fines submitted under this Consent Order shall be made by check, payable to the "State of Michigan" and mailed to the Michigan Department of Environment, Great Lakes, and Energy, Accounting Services Division, Cashier's Office, P.O. Box 30657, Lansing, Michigan 48909-8157.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Wolf", with a large, sweeping flourish extending upwards and to the right.
