

RICK SNYDER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF ENVIRONMENTAL QUALITY
LANSING

DAN WYANT
DIRECTOR

June 15, 2011

Dear Interested Party:

This letter is in reference to three Permit to Install applications:

- Waterfront Petroleum Terminal Company's (Waterfront's) proposed installation and operation of two loading racks and three storage tanks. The facility is located at 1071 Miller Road, Dearborn, Michigan. The Permit to Install (PTI) Application Number is 181-10.
- Marathon Petroleum Company LLC's (Marathon's) proposed installation and operation of a truck loading rack for asphalt cement. The facility is located at 301 South Fort Street, Detroit, Michigan. The PTI Application Number is 197-10.
- McCoig Materials, LLC's (McCoig's) proposed operation of their existing concrete batch plant above the exemption levels in Rule 336.1289 (Rule 289). The facility is located at 1441 Springwells Court, Detroit, Michigan. The PTI Application Number is 242-10.

The Michigan Department of Environmental Quality (MDEQ) has announced a public comment period on the draft permit conditions, as required by state and federal regulations. Due to the coincidental timing of the application submittals and the State of Michigan public notice requirements, the Air Quality Division, AQD, has elected to schedule a combined public comment period and hearing for these similarly located projects. The public comment period is to solicit written comments prior to making a final decision on the permit applications. Written comments received during the comment period will be considered in the final permit decisions. Please mail comments by July 19, 2011 to Mary Ann Dolehanty, Permit Section Supervisor, DEQ, AQD, P.O. Box 30260, Lansing, Michigan, 48909-7760. Comments may also be submitted from the webpage <http://www.deq.state.mi.us/aps/cwerp.shtml> (click on "Submit Comment" for the appropriate listing).

- Waterfront Petroleum Terminal Company, PTI Application No. 181-10
- Marathon Petroleum Company LLC, PTI Application No. 197-10
- McCoig Materials, LLC, PTI Application No. 242-10
- All of the above (Waterfront, Marathon & McCoig)

On July 19, 2011, an informational session and public hearing have been scheduled in the Kemeny Center Gymnasium, 2260 South Fort Street, Detroit, Michigan. The informational session will be held from 5:00 p.m. until 6:30 p.m., at which time staff will provide a brief introduction regarding the proposed projects and will be available to answer questions. The public hearing will follow at 7:00 p.m. The sole purpose of the hearing will be to take formal testimony on the record. During testimony, questions will not be answered; however, staff will be available to answer questions outside the hearing room.

After resolving any issues raised during the public comment period and the hearing, final decisions will be made on the permit applications.

The "Notice of Air Pollution Comment Period and Public Hearing," the "Fact Sheet," and the draft permit conditions regarding our analysis of these proposed projects are available at <http://www.deq.state.mi.us/aps/cwerp.shtml> or you may contact me for printed copies.

If you have any questions, please feel free to contact me.

Sincerely,

Paul L. Schleusener, Senior Engineer Specialist
Permit Section
Air Quality Division
