Mr. C. T. Case, Deputy Assistant Secretary
Marathon Petroleum Company LP
1300 South Fort Street
Detroit, Michigan 48217-1294

Dear Mr. Case:

This letter is in reference to your Permit to Install (PTI) applications listed in the table below, for equipment located at 1300 South Fort Street, Detroit, Michigan (SRN A9831).

PTI Application No.	Date Application Received	Process/Equipment
63-08C	10/19/2011	Detroit Heavy Oil Upgrade Project: minor changes in project scope
96-11	6/15/2011	Rag layer storage tanks
142-11	9/19/2011	Railcar loading operation for asphalt cement
148-11	10/3/2011	Barge loading operation for asphalt cement

Review of your applications is complete. We have announced a public comment period as required by state and federal regulations, on the intent of the Michigan Department of Environmental Quality (MDEQ) to approve the permits. The public comment period began on November 2, 2011, and will end on December 7, 2011.

On December 7, 2011, an informational session and public hearing will be held in the Kemeny Center Gymnasium, 2260 Fort Street, Detroit, Michigan. The informational session will be held from 6:00 p.m. until 7:00 p.m. at which time staff will provide a brief introduction regarding the proposed projects and will be available to answer questions. The public hearing will follow at 7:00 p.m.

You may submit comments during the comment period and are encouraged to appear at the informational session and public hearing on behalf of your Permit to Install applications.

After resolving any issues raised during the public comment period and/or the hearing, final decisions will be made on your permit applications.

By law, construction of the proposed processes should not begin until you receive approved Permits to Install. *This letter is not an approved permit to install* and only references proposed actions on your applications.

Enclosed are copies of the "Notice of Air Pollution Comment Period and Public Hearing," the "Fact Sheet," and the draft conditions regarding our analysis of your proposed projects.

If you have any questions, please feel free to contact me.

Sincerely,

Paul L. Schleusener, Senior Engineer Specialist
Air Quality Division
