

Title V Renewable Operating Permit (ROP) EPA Comments and AQD Responses

The following are comments received from the U.S. Environmental Protection Agency (EPA) on recent ROP actions, along with AQD responses where available. Public notice documents for specific ROPs may be viewed at: [ROP Public Notice Documents](#) 

Note: If no date is entered in the AQD response column, the response is pending and will be uploaded when available. EPA comment letters received since August 2016 are posted.

EPA Comment	AQD Response	Facility	SRN
August 7, 2019		Marquette Board of Light & Power – Marquette Energy Center	P0668
