FUNDING FOR WATERSHED AND STORM WATER PROJECTS SEMINAR, MIDWAY HOTEL-BEST WESTERN, LANSING, MICHIGAN.

The Watershed Management Committee of the Michigan Water Environment Association and the Michigan Department of Environmental Quality are jointly presenting this seminar on how government entities can obtain funding for watershed and storm water projects through federal and state grants, as well as private foundations. With current and upcoming storm water regulations requiring the allocations of nonfunded monies for Best Management Practices, as well as Watershed Management Plans, this seminar will provide a roadmap to obtaining funding from a wide variety of sources. In addition, the seminar will look at how quality-based selections of products and services can save your community and/or organization money over the length of your projects. With a new round of Section 319 and Clean Michigan Initiative grants approaching in June, this seminar offers an excellent opportunity to learn the processes for obtaining funding. Cost: Varies \$65-120, and includes breaks, lunch, and reception. Early registration ends April 16, 2001. Information Contact: **Fred Cowles**, Surface Water Quality Division, 517-335-4127, or E-mail at cowlesf@state.mi.us; or contact **MWEA** at 517-487-1991, mwea@mi-wea.org, or www.mi-wea.org.
