

CONGRATULATIONS!

You've completed Michigan's Land and Water Permits Workshop!

Now What?

For technical questions regarding:

permits for projects impacting wetlands or floodplains or located on an inland lake, stream or Great Lake, please contact DEQ Geological and Land Managements' Permit Consolidation Unit at (517) 373-9244.

storm water regulations, please contact Mark Fife, Storm Water Coordinator, Water Division, DEQ, at fifem@michigan.gov or call (517)-241-8993.

aquatic nuisance control permits, please contact the DEQ Water Division's Inland Lakes and Remedial Action Unit at deq-lwm-anc@michigan.gov or call 517-241-1300.

To request a list of the actual attendees at today's program contact Marlene Osborne at osbornem@michigan.gov or call 517-335-3153.

To request a certificate of attendance contact Jennifer Acevedo at acevedoj@michigan.gov or call 517-335-3203.

To be notified of upcoming environmental workshops contact Jessica Yorko at yorkoj@michigan.gov or call 517-241-5213.

To give your suggestions on how we can improve our workshops (based on content, presentation, and/or logistics) please contact Mary Goodhall at goodhalm@michigan.gov or call 517-241-7968.

To share a success you've experienced due to information obtained at this workshop please contact David Fiedler at fiedlerd@michigan.gov or call 517-373-0607.

Thanks for participating in today's program!
