

Report#	Title
000010	Biological survey of the Menominee River, May 8-10, 1951, with special reference to pollution.
000020	Interim report of a biological survey of the effects of pollution in the Kalamazoo River, Michigan, May 22-24, 1951
000030	Cadillac Sewage Treatment Plant and Clam River Survey, Cadillac, Michigan, September 3-6, 1951
000040	A Biological Survey of the Kalamzoo River, November 19 and 20, 1951
000050	Results of bottom and plankton sampling in White Lake, August 19, 1952.
000060	A report of bottom fauna studies in Pickeral and Fremont Lakes, Fremont, Michigan, September 15 and 16, 1952
000070	Results of a biological survey of Hart Lake, July 22, 1953
000090	Biological survey of the White Pigeon River in the vicinity of White Pigeon, Michigan, August 11, 1953
000100	Results of a bottom sampling of Portage Creek at Milham Avenue, August 11, 1953
000110	Biological survey of the Fawn River near Sturgis, Michigan, August 12, 1953
000120	Bottom fauna survey of Gourdneck Creek and Barton Lake near Vicksburg, Michigan, August 12, 1953
000130	Effects of pollution on the bottom fauna in the Red Cedar River, Fowlerville, Michigan, August 19, 1953. Number of bottom animals per square foot
000140	Biological effects of pollution entering the Raisin River at Adrian and results of bottom sampling below Tecumseh on the North Branch of the Raisin River
000150	Biological survey of the Paw Paw River from Watervliet to Benton Harbor, Michigan, September 1, 1953
000160	A Biological Survey of the Effects of Pollution on Manistee Lake, September 15, 1953
000170	Biological survey of Battle Creek River and the Kalamazoo River in the vicinity of Battle Creek, October 19, 20, 1953
000180	Memorandum, biological reconnaissance of the Raisin River in the Petersburg, Dundee Area, December 11, 1953
000190	Results of a biological survey of Ellsworth Lake, February 10, 1954
000200	Results of bottom sampling in the east arm of Lake Charlevoix at Boyne City, April 5, 1954
000210	Results of bottom sampling in the South Branch of the Raisin River, April, 27, 1954
000220	Results of a study of the bottom and bottom fauna of the east arm of Lake Charlevoix at Boyne City, April 5 - May 19, 1954
000230	Report of a biological survey of the Rouge River at Plymouth, Michigan, May 13, 1954
000240	Biological survey of White Lake, Muskegon County May 26-27, 1954
000250	Results of a biological survey of Saginaw Bay, July 16, 17, 1954
000260	Results of a biological survey of sewer (White Creek, Norway, Michigan) August 19, 1954
000270	Biological Survey of the Rogue River in the Vicinity of sparta and Rockford August 23, 24, 1954
000280	Results of a biological survey of effects of pollution in the lower Manistique River, Manistique Harbor and vicinity, August 31 and September 1 and 2, 1954
000290	Results of a biological survey of Manistee Lake, September 22, 1954
000300	Results of a biological survey of Muskegon Lake in the vicinity of the Central Paper Company, September 15, 1954
000310	Results of a biological survey of the east and west branches of the Paw Paw River and Maple Lake, Paw Paw, Michigan, September 29, 1954
000320	Biological survey of the Raisin River at Adrian, February 9, 1955
000330	Results of a biological survey of First Lake, Montcalm County, May 12, 1955
000340	A Biological Survey of the Pine River Above Alma to M-30 to Determine Effects of Pollution, May 31, 1955

000350	Results of survey of Mud Lake, June 21, 1955
000360	Results of a biological survey of Saginaw Bay, June 24, 1955
000370	Report of a biological study of the waste treatment lagoon at Upjohn Company, Kalamazoo, Michigan, July 11, 1955.
000380	Results of a biological survey of the Grand River in the vicinity of Lansing, July 25, 1955
000390	(I.) Results of a Biological Survey of Swan Creek and Drain #30 near Bronson, Michigan, September 6, 1955. (II.) Live Box Tests with Fish in Swan Creek and Drain #30 near Bronson, Michigan, September 8, 9, 1955
000400	Results of a Biological Survey of the Clinton River in the Vicinity of Pontiac, Rochester, and Utica, Michigan, October 4, 1955
000420	Biological aspects of the First Lake Survey, Six Lakes, Montcalm County, Michigan, February 20, 21, 1957
000430	Limnological and biological survey of Manistee Lake, Manistee County, Michigan, February 26-28, 1957
000440	Sebewaing Bay, March 29, 1957
000450	Bottom fauna survey of Gourneck Creek, Barton Lake and Portage Creek near Bicksburg, kalamazoo County, Michigan, April 3 & 4, 1957
000460	Biological and limnological aspects of a survey of Barton Lake, Vicksburg, Kalamazoo County, Michigan, June 10-14, 1957
000470	Biological survey of South Bay, Lake Superior at Munising, Michigan, August 5, 1957
000480	Bottom fauna samples, Chippewa River, Mt. Pleasant, following a fish kill by cyanide, October, 1957
000490	Bottom fauna survey of lower River Rouge, between Sheldon Road and Wayne Road, Wayne County, Michigan, November 25, 1957
000500	Bottom Fauna Survey of the Rogue River, Rockford, Kent County, Michigan, Fall, 1957
000510	Biological observations on the Pere Marquette River, Scottville, Mason County, Michigan, 1957
000520	Survival of bottom organisms, Hayworth Creek, St. Johns, Clinton County, Michigan following a fish killing by cyanide, April, 1958
000530	A note on Mineral River, Ontonagon County, Michigan
000540	Bottom fauna survey, White Pigeon River, St. Joseph County, Michigan, vicinity of Eddy Paper Company, White Pigeon, July 10, 1957 and July 24, 1958
000550	Bottom fauna survey, Paw Paw River, Watervliet to Benton Harbor, Berrien County, Michigan, July 10-11, 1958
000560	Biological, chemicals and bacteriological survey of Clam River, Wexford and Missaukee Counties below Cadillac, Michigan, August 4-5, 1958
000570	Biological survey, Grand River, Grand Haven, Michigan, vicinity of Eagle - Ottawa Leather Company, August 28, 1958
000580	Stream bottom fauna survey of Hunter Creek and north branch Black River, Zeeland, Ottawa County, Michigan, August 29, 1958
000590	Bottom fauna populations below Maple Lake, Paw Paw River system, Van Buren County, Michigan, October, 1958
000600	Biological survey of the East and South branches Paw Paw River, vicinity of Paw Paw, Van Buren County, Michigan, Summer and Fall, 1958
000610	Bottom fauna survey, Maple River, vicinity of Ovid, Clinton County, Michigan, August 21, 1959
000611	Comments on the Importance of Adequate Dissolved Oxygen Levels to the Maintenance of Fish Populations
000620	investigation of bottom animal populations in the Brook Tributary to Peter Mengel Water Cress Farm, Dowagiac, Cass County, Michigan, June 26, 1959
000630	Report of bottom fauna surveys of the South Branch Paw Paw River and Tributaries, vicinity of Lawton, Michigan, July 23-24, and September 10-11, 1959

000640	Bottom fauna study, Muskegon River, Big Rapids, Mecosta County, Michigan, August 4-5, 1959
000650	Basic information and observations, biological survey, St. Joseph River and Tributaries, August 10-14, 1959
000660	Results of a qualitative bottom fauna survey, Escanaba River system, Gwinn, Michigan, July 30, 1960
000670	Tahquamenon River bottom fauna survey, vicinity of Newberry, Luce County, Michigan, July 31, 1960
000680	Investigation of Ellsworth Lake, Antrim County, Michigan, October 19, 1960
000690	Survey of bottom animal populations, Grand River, Grandville, Michigan, November 3, 1960
000700	Memorandum, Mill Creek, Yale, Michigan, May 15, 1961
000720	Investigation of Muskegon River, Newaygo, Michigan, August 8-9, 1961
000730	Stream and lake survey, Edmore through the Six Lakes Chain, Montcalm County, July 10, 1961
000740	A survey of water quality, habitat and associated fish and macroinvertebrate populations below Black River Millpond, Bangor, Michigan, August 2, 6, and 7, 1962
000750	Effects of DuWel Metal Products Company wastes on macroinvertebrate populations and habitat in the Black River Millpond, Bangor, Van Buren County, Michigan, August 2 and 3, 1962
000760	Biological survey of Pine Breek, Hartford, Michigan, September 28, 1962
000770	Bottom fauna survey, Paint Creek, Lake Orion, Michigan, November 5, 1962
000780	Effects of milk wastes on the bottom fauna of the Maple River in the vicinity of Ovid, Michigan
000790	Biological survey of the Iron and Brule Rivers, Iron River, Michigan to Florence, Wisconsin, December 3-6, 1962
000800	Observations on the effect of Mead Corporation waste discharges on the ecology of the Escanaba River, Delta County, Michigan, June 3-6, 1963
000810	Biological survey, Iron and Brule Rivers, Iron River, Michigan to Florence, Wisconsin, June 6 and 7, 1963 and observations of Paint River Pond formed by Brule Island Dam
000820	Memorandum, biological investigation, Red Cedar and Grand Rivers, East Lansing - Grand Ledge, September 9, 1963
000830	Bottom fauna reconnaissance, Walled Lake Drain and Middle River Rouge, Northville, September 26, 1963
000840	Assessment of river conditions (part of a report on water pollution control the Michigan portion of the Menominee River Basin for the USPHS Interstate Conference - November, 1963)
000850	Observations of fiber deposition in the vicinity of S. D. Warren Paper Company, Muskegon Lake, Muskegon, Michigan, with notes on the status of associated macroinvertebrate population, June 15-17 and July 4, 1964
000851	Report of survey, Black River and Tributaries, Zeeland to Holland, February 13, 1964
000852	Review of biological surveys, 1953 - 1964, Barton Lake - Vicksburg Vicinity
000860	Investigation of biological conditions in Willow Run and portions of Belleville Lake, Wayne and Washtenaw Counties, Michigan. MWRC surveys of June 24-26 and July 1-2, 1964.
000870	Environmental effects of waste discharges on the Boardman River with observations on Grand Traverse Bay, vicinity of Traverse City, MWRC Biological Inspection and Survey of May 15, June 26-27, August 12 - 13, 1963, and July 22, 1964
000880	A Biologically Oriented Survey of the Barton Lake System, Vicinity of Vicksburg, Michigan, September 4, 1964
000890	A Biological Reconnaissance of the Michigamme River, Vicinity of Republic, Michigan, Marquette County Survey of September 25, 1964
000900	Bottom Fauna and Habitat survey, White Pigeon River, Vicinity of Weyerhaeuser Paper Company, White Pigeon, St. Joseph County, Michigan. September 10-11 and October 14, 1964
000910	Biological Inspection of Waste Lagoons, Capac, Yale, and Vlasic at Imlay City, November 6, 1964.
000920	A Discussion of some Biological Aspects of Jordan Lake, Lake Odessa, Michigan, 1964

000930	Summary of biological survey, 1953 - 1964, Barton Lake - Vicksburg Vicinity
000931	Review of biological surveys, 1953 - 1964, Barton Lake - Vicksburg vicinity
000940	Biological surveys of the Harbor Vicinity, Lake Huron, Harbor Beach, June 6, 1958 and August 5, 1965
000950	Saginaw Bay Biological Survey, July - August, 1965
000960	Biological surveys of Thunder bay and Thunder Bay River, Alpena, Michigan, 1957 and 1965
000970	Memorandum to Fetterolf from Bryant, Platte River Inspection, June 8, 1966
000972	Bacteriological surveys, AuSable River and South Branch AuSable River, Grayling and Roscommon, Michigan, June 25 and September 5, 1966
000973	Memorandum to Fetterolf from Bryant, Flat River Observations, July 11, 1966
000990	Water Quality Survey, East Branch of the Paw Paw River, Van Buren County, Michigan, with Comments on Glaser, Crandell Company's proposal for Waste Disposal, July, 1966
001000	A Biological Reconnaissance of the Michigamme River, Vicinity of Republic, Michigan, Marquette County, Michigan Water Resources Commission, August 23 and 25, 1966
001020	Biological Reconnaissance Survey of the FredaCopper Mill Discharge to Lake Superior and the Vicinity of Freda, Michigan, August 24 and 27, 1966
001030	Assessment of River Conditions, Menominee River, vicinity of Iron Mountain and Kingsford, Michigan, August, 1966
001040	Menominee River, vicinity of Norway, Michigan, August, 1966
001050	A Biological Survey of Lake Betsie, Benzie County, Michigan, November 14-16, 1966.
001060	Biological survey of Lake Charlevoix in the vicinity of Boyne City, November 22, 1966
001070	Observations on the Red Cedar River, vicinity of Fowlerville with respect to discharge of wastes from the Utilex Corporation, August 7, 1967
001071	Big Fish Lake, Lapeer County, May 10, 1967
001080	Reconnaissance survey of the Dow Chemical Company, brine discharge to Lake Michigan near Big Sable Point, Mason County, Michigan, August 10, 1967
001090	Biological Surveys of Black Creek, Vicinity of Lakeway Chemicals Inc., Muskegon, Muskegon County Michigan, During High and Low Flow Periods June 7, and August 17, 1967
001100	Investigation of oil deposits in bottom sediments of the St. Joseph River, Bertrand to Berrien Springs, Berrien County, Michigan, August 21, 1967
001110	Observations on the Chippewa River, vicinity of Mt. Pleasant, Isabella and Midland Counties, Michigan, August 24, 1967
001120	Observations on the Hersey River, Reed City, Osceola County, Michigan, August 29-30, 1967
001130	Biological survey of Hersey River, vicinity of Reed City, Osceola County, Michigan, August 29-30, 1967
001140	Benthic macroinvertebrate study, Lake Michigan at Manistee in the vicinity of Packaging Corporation of America's Waste Disposal Pipeline, Appendix O, September 1, 1967
001150	Biological surveys in the vicinity of the E.I. duPont DeNemours and Company, discharge to Lake Michigan, Montague, Michigan, September 10, 1957 and September 6, 1967
001160	Biological surveys of the River Raisin, vicinity of Stauffer Chemicals, Adrian, Michigan, October 26, 1964 and September 25 - October 11, 1967
001170	Biological reconnaissance survey of Milk River Drain and its influence on Lake St. Clair, Macomb County, Michigan, October 24, 1967
001190	Report on biological conditions and water quality of the Red Cedar River as affected by discharges from the Hoover Ball and Bearing Company, Utilex Division, Fowlerville, Michigan, 1953-1967
001200	White Lake nutrient survey, Muskegon County, 1967

001210	Inspection of a Unique Bog Area with Respect to Possible Contamination by Ground Water, T2N R8E, Sec. 21, Oakland
001220	Biological investigation of the River Raisin, vicinity of Tecumseh Products, Tecumseh, Michigan, June 18, 1968
001230	Algal growth potential of the White River and selected wastewater discharges, June 19, 1968
001240	Biological investigation of the Saline River, vicinity of Hoover Ball and Bearing Company, Universal Die Casting Division, Saline, Michigan, June 19-20, 1968
001250	Dissolved oxygen survey of the waters of the Maple River, June 20, 1968
001260	A Biological Survey of South Bay, Lake Superior and Observations on the Anna River, Munising, Alger County, Michigan, August 6, 1968
001270	A Biological Investigation of the Grand River, Vicinity of Clark Equipment Company, Jackson, Jackson County, Michigan, September 6, 1968.
001280	Water quality survey of Lake Superior in the Marquette vicinity, August 8-11, 1968
001290	Biological survey of the Iron and Brule Rivers, Iron River Michigan to Florence, Wisconsin, August 13-14, 1968
001300	Biological survey of the Ontonagon River and Lake Superior in the vicinity of Ontonagon, Michigan, August 15, 1968
001310	A water quality investigation of Rainbow Lake, Fulton Township, Gratiot County, Michigan, August 27, 1968
001330	Biological investigation of the Maple River with observations on the Little Maple River and Alder Creek Tributaries, vicinity of Ovid, Clinton County, Michigan, August 21, 1959 and August 20, 1968
001340	Observations on weed growth and stream habitat on the South Branch of the AuSable River, Roscommon, Roscommon County, Michigan, September 20, 1968
001350	Biological monitoring on the Grand River at Lansing, Michigan, September 18 - October 17, 1968
001360	Sedimentation rate of suspended materials in the Red Cedar River, vicinity of East Lansing, Michigan, September - October, 1968
001370	Biological surveys of the Black River, vicinity of Michigan Sugar Company, Crosswell, Sanilac County, Michigan, September 4 and November 7-8, 1968
001390	Effects of the Earl Johnson Cattle Feedlot on the water quality of a drainage stream tributary to the Flint River, Genesee, Michigan, April 10 and 19, 1969
001400	Biological evaluation of Ox Creek, Benton Harbor, Michigan, June 3, 1969
001410	Biological observations on Gilkey Creek, Flint, Michigan, August 22, 1969 and July 11 & 13, 1972
001420	Ecorse River water quality study, May - July, 1969
001430	Biological monitoring of the Kalamazoo River at Saugatuck, Michigan August 4, 1969
001440	Biological studies on the Lower Manistique River and Inshore waters of Lake Michigan, Manistique, Michigan, August 12 and 14, 1968 - September 18, 1969
001450	Wastewater and biological survey, Grand Traverse Street storm drain discharge to Thread Creek, City of Flint, September 19, 1969
001460	Biological monitoring of the Jordan River, vicinity of the Jordan River National Fish Hatchery, Elmira, Michigan, September 23 to October 24, 1969
001470	Memorandum to Doyle from Willson, Hersey River December 29, 1969
001480	Pollution of Lake Michigan and its tributary basins, Wisconsin - Illinois - Indiana - Michigan March, 1970
001481	Comments on proposed temperature standards and plan of implementation for Lake Michigan
001490	Background data on Hog Creek, Branch County, Michigan, 1969-1973
001492	Pine River chemical survey, January 21, 1969 and February 12, 1969

001500	Biological investigation of Lake Muskegon, vicinity of the Westran Corporation Lake Fill, Muskegon, Michigan, February 17, 1970
001502	Fish survey of the Grand River from Jackson to Grand Haven, July - August, 1970
001520	Background biological data from Honey Creek, vicinity of University Microfilms, Ann Arbor, Michigan, October 6, 1964 & June 8, 1970
001530	Biological investigation of Letts Creek, vicinity of Chelsea, Michigan, June 8-9, 1970
001540	Limnological survey of Manistee Lake and connecting waters, Manistee County, Michigan, July 13, 1970
001550	Biological observations of Pere Marquette River and Pere Marquette Lake at Ludington, Michigan, June 17-18, 1970
001580	Biological Investigation of Black Creek Vicinity of Lakeway Chemicals, Incorporated Muskegon, Michigan August 4, 1970
001620	Biological and water quality investigations of the Grand River, vicinity of Jackson, Michigan, July - September, 1970
001630	Sediment oil investigation, McCoy Creek, vicinity of Clark Equipment Company, Buchanan, Michigan, December 30, 1970
001631	Gun Lake water quality, 1948 - 1970
001640	Preliminary summary discussion of biological field studies conducted on Sebewaing Bay, vicinity of the Michigan Sugar Company, Sebewaing, Michigan, Fall, 1970
001650	Water quality survey of Griffin Lake, Genesee County, Michigan, 1970
001660	Limnological investigation of Cadillac and Mitchell Lakes, Wexford County, 1970
001670	Biological Survey of the Grand River from Jackson to Grand Haven, Michigan July-August, 1970
001690	Biological survey of the Pine River, vicinity of Alma and St. Louis, 1967 and 1970
001700	Biological investigations of the Red Cedar River, Okemos to the mouth, Ingham County, Michigan, September 16, 1968 to September 9, 1970
001710	Memorandum to Cosens, Turney, Vahovick from Willson, Reconnaissance of Cass River below Michigan Sugar, Caro, Michigan, April 14, 1971
001720	Biological survey of Sebewaing Bay in the vicinity of Sebewaing, Michigan, September 1970 - May 1971
001730	Biological investigation of the Saline River, vicinity of Hoover Ball and Bearing Company, Universal Die Casting Division, Saline, Michigan, June 22, 1971
001750	Water quality investigation of the tributaries to Hart Lake, Hart, Michigan, July 29, 1971
001760	Biological survey of Ogemaw Creek in the vicinity of the West Branch wastewater treatment plant, Ogemaw County, Michigan, August 4, 1971
001770	A Biological Survey of Elk River in the Vicinity of Elk Rapids Packing Company at Elk Rapids, Michigan, August 12, 1971
001780	Biological survey of the Kalamazoo River, June - August, 1971
001790	A Biological Survey of the Black River and Lake Macatawa, Vicinity of Holland, Michigan, September 9, 1971
001800	Reconnaissance biological survey of Pine Creek in the vicinity of the Groveland Mine, Dickinson County, Michigan, September 28, 1971
001820	Report on biological conditions of the Red Cedar River as affected by discharges from the Hoover Ball and Bearing Company, Utilex Division, Fowlerville, Michigan, October 19, 1971
001840	Memorandum to Robert Courchaine from Willson, Clam River Studies & Proposed effluent restriction on Cadillac WWTP, December 7, 1971
001850	Biological survey of the Tittabawassee River, 1971 - 1972

001851	Actinomycetes, taste - odor and nutrient status in the Green Bay waters of Lake Michigan. October 31, 1972. (Proposed research outline)
001860	Biological survey of Tamarack Creek related to US-131 highway construction activities, Howard City, Montcalm County, Michigan, February 24 - September 6, 1972
001861	Interim Report, hatchery evaluation study, May 4 - August 9, 1972
001862	Interim Summary - hatchery evaluation study, 1972
001863	A Biological Survey of the Carp River in the Vicinity of the Marquette Wastewater Treatment Plant, Marquette County, Michigan, October 2, 1972
001870	Michigan salmonid hatchery water quality evaluation 1972.
001880	A Biological Survey of Swan Lake, Vicinity of Rogers City, Presque Isle County, Michigan, May 9-18, 1972
001890	A Biological Investigation of Pine Creek in the Vicinity of the Groveland Mine, Hanna Mining Company, Dickinson County, Michigan May 16 - September 26, 1972
001910	A Biological Investigation of Green Creek in the Vicinity of the Cleveland - Cliffs Iron Company, Empire Mine, Humboldt Township, Marquette County, Michigan, May 17 - June 28, 1972
001950	Report on biological conditions of the north branch of the Black River, Ottawa County, as affected by the discharges from Mead - Johnson, Miles Laboratory and thge Zeeland wastewater treatment plant, Zeeland, Michigan, June 6 - July 26, 1972
001960	A Biological Investigation of the Shiawassee River in the Vicinity of Owosso and Corunna, Shiawassee County, Michigan, June 21 - September 6, 1972
001970	A Biological Investigation of Marble Lake, Branch County, Michigan, July 6, 7, 10 & 11, 1972
001980	Biological investigation of Hughes and Lake Drains and Brent Run, Genesee County, Michigan, July 11 and October 16, 1972
001990	Biological investigation of Little Portage Creek at Mendon, Michigan, July 12, 1972
002000	Biological investigation of Carman Creek, Flint, Michigan, July 13, 1972
002010	Biological investigation of Thread Creek, Flint, Michigan, July 13, 1972
002020	A Biological Investigation of the Belle River, Vicinity of Imlay City, Lapeer County, Michigan, July 13 and October 18, 1972
002030	A Biological Survey of the River Raisin in the Vicinity of Adrian, Lenawee County, Michigan, July 13, 1972
002050	A Biological Investigation of Colored Water Seepage to Lake Michigan at Portland Medusa Cement Company, Charlevoix, Michigan, July 24, 1972
002060	A Biological Survey of the Pere Marquette River in the Vicinity of the Harbison - Walker Refractories Company Discharge, Ludington, Michigan, July 26 - September 20, 1972
002070	A Biological Survey of the Cheboygan River within the City of Cheboygan, Cheboygan County, Michigan, July 27 to September 9, 1972
002080	Biological survey of the Hersey River, vicinity of Reed City, Michigan, July 27, 1972
002090	Impact of the Karn - Weadock Power Plant's Operation on water quality of the Saginaw River and near - shore bay areas, July 22, 1972 through May 6, 1973
002100	A Biological Investigation of C. K. Eddy Creek, Vicinity of Osceola Refining Company, West Branch, Michigan, August 1, 1972
002110	An Investigation of Harris, Terry and Osmun Lakes, Oakland County, Pontiac, Michigan August 1, 1972
002120	A Biological Investigation of Branch County Drain #30 and Swan Creek, Vicinity of Bronson, Michigan, August 16, 1972
002130	A Biological Investigation of the White Pigeon River, Vicinity of Weyerhaeuser Paper Company, White Pigeon, St. Joseph County, Michigan
