Ravenna, Michigan 49451

SRN: A4216; Muskegon County

ATTENTION: Jeff Raap, Manufacturing Manager

This letter is to advise you of the commencement of an escalated enforcement action against Rogers Printing, Inc. (Company). This letter follows the May 1, 2023, and July 7, 2023, Violation Notices (VNs) issued by the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) which detailed violations of Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA), MCL 324.5501 *et seq*, and the administrative rules promulgated thereunder, specifically, Rule 2 of the Michigan Air Pollution Control Rules, Mich Admin Code R 336.202. The AQD cited the Company for failing to submit the Michigan Air Emissions Reporting System (MAERS) forms for its 2022 emissions.

The AQD is providing the Company with an opportunity to formally resolve these violations through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of NREPA, MCL 324.5528.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (MDAG) for commencement of civil litigation. This Enforcement Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under federal or state law as appropriate.
