Dear Mr. Forth,

In response to your Violation Notice from November 8, 2018; we believe we have corrected the violation.

Inductoheat hired Rob's Heating & Cooling to remove rain cap from burn off stack. Please see attached invoice dated 4/8/19 and a photo of the rain cap on our manufacturing floor after it was removed.

Since the rain cap has been removed this violation no longer exists.

Kind regards,

Mark Martin
Plant Manager
