**List of Partial Compliance Evaluations :**

Activity Date	Activity Type	Compliance Status	Comments
04/30/2021	On-site Inspection	Compliance	An on site air quality compliance evaluation.
04/21/2021	MAERS	Compliance	Report was on time and appears to be complete and accurate. EPA emission factors were used and provided documentation shows how calculated values were reached. Some differences from previous year show large percentage change, but actual emissions below levels of concern. Audit result is passing. No further actions required at this time.
