Dear Thomas Spurgeon:

SECOND VIOLATION NOTICE

In January 2024, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), notified Drayton Iron & Metal of the requirement to submit a 2023 Annual Emissions Report, with the required submittal date of March 15, 2024. In response to the non-submittal of this report, a second letter was sent on April 8, 2024, requesting immediate submittal of the MiEnviro Portal Annual Emissions Report form for the state of Michigan required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On April 16, 2024, the AQD sent Drayton Iron & Metal a Violation Notice citing the non-submittal of the annual emissions report and requested your submittal of the annual emissions report in MiEnviro Portal by May 1, 2024. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions Drayton Iron & Metal will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our April 16, 2024 letter by June 19, 2024, which corresponds to 7 days from the date of this letter.

Please submit the written response to Adam Bognar at EGLE, AQD, Warren District, at 27700 Donald Court, Warren, Michigan 48092 or bognara1@michigan.gov and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.
