Dear Mr. Beardslee:

SECOND VIOLATION NOTICE

On March 5, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Battle Creek Wastewater Treatment Plant (Facility), located at 2000 River Road West, Battle Creek, Michigan. The purpose of the inspection was to determine the Facility's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the administrative rules; and the conditions of Permit to Install No. 83-07.

On March 17, 2015, the AQD sent the Facility a Violation Notice citing a violation discovered as a result of the inspection and requested your written response by April 7, 2015. A copy of that letter is enclosed for your reference. As of this date, the DEQ, AQD, has not received your response.

Please be advised that failure to respond in writing and identifying actions the Facility will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our March 17, 2015, letter by May 21, 2015, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violation or the actions necessary to bring the Facility into compliance, please contact me at the telephone number listed below.

Sincerely,
