Dear Ms. Roberts:

VIOLATION NOTICE

On October 7, 2014, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Sunoco Pipeline, L.P. located at 250 Murphy Drive, Marysville, Michigan. The purpose of this inspection was to determine Sunoco Pipeline's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and the conditions of Permit to Install (PTI) number 178-98B.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Crude Oil Storage	Rule 901	AQD staff detected moderate to strong and continuous odors downwind of the storage tank facility.

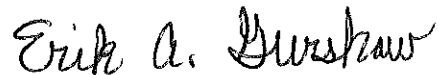

In the professional judgment of AQD staff, the odors that were observed were of sufficient intensity, frequency and duration so as to constitute a violation of Rule 901 (and General Condition Number 6 of PTI number 178-98B). The odors were detected at the intersection of Gratiot Avenue and Murphy Drive downwind of the facility between 8:00 and 8:15 a.m. during the morning of October 7, 2014.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by November 4, 2014 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If Sunoco Pipeline, L.P. believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of Sunoco Pipeline, L.P. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.
