Dear Mr. Lucas:

SECOND VIOLATION NOTICE

On June 9, 2017, the Department of Environmental Quality (DEQ), Air Quality Division (AQD) conducted an inspection of the Roberts Sinto Corporation (the company) located at 150 Orchard Street, Grand Ledge.

The purpose of the inspection was to determine the company's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and to investigate a recent complaint we received on June 7, 2017, regarding paint and paint thinner-like odors attributed to the company's operations.

On June 19, 2017, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by July 10, 2017. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identify actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our June 19, 2017 letter by August 3, 2017.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violations or the actions necessary to bring the company into compliance, please contact me at the telephone number listed below.

Sincerely,

Michelle Luplow
