Mr. Iranna Konanahalli,  
Senior Environmental Engineer  
Air Quality Division

Dear Mr. Iranna Konanahalli,

Temperform, LLC is in receipt of the Violation Notice dated October 20, 2020. We wanted to respond immediately to inform you that we have contacted the appropriate third-party vendors, engineering consultants and original equipment manufacturers to better understand the safety, plausibility, efficacy and timing requirements of your proposed solution(s) to further address odor mitigation.

The resolution of this issue is important to Temperform, LLC as a good neighbor, member of the community and corporate citizen. We will ensure the proper focus remains on this issue as we work towards an amicable resolution. We will communicate all updates.

Sincerely,  
Blake Albritton
