RESOLVED COMPLAINTS:		

On July 13, 2017, I visited the site located at 263 Belle River Avenue, Marine City where underground gasoline and fuel oil bulk storage tanks previously owned by Bluewater Oil Company, Inc. were located. This area along the river is a residential area. I did not notice any presence of underground bulk storage tanks near the site.

The tanks used to be owned by Star Oil Company and later sold to Bluewater Oil Company, Inc. On Nov 1999, Bluewater Oil sent a letter to the State Police stating that all the tanks located at 264 Belle River Avenue has been removed. Last AQD inspection conducted at the site was in 1983.

Bluewater Oil is included in the 2017 targeted list.

This facility will be marked permanently shut down in MACES.
