RE: Late submission of 208a Annual Renewal Registration Form – B7985

Dear Dennis:

With regards to your letter dated April 3rd and our late submission of the 208a Annual Renewal Registration Form; the attached documents intend to serve as appropriate action for compliance. Specifically they fulfill action #3 of your letter, demonstration that the potential to emit does not exceed any major source threshold specified in R 336.1211(1)(a).

Thank you for reviewing the data with me via email over the past couple of days.

If you require anything further, please don't hesitate to contact me.

Sincerely,

Scott Thomas
