RESOLVED COMPLAINTS:		

On May 23, 2024, State of Michigan Department of Environment, Great Lakes, and Energy Air Quality Division staff member Scott Evans conducted an on-site inspection of the Ermanco Inc. facility located at 6870 Grand Haven Rd. in Spring Lake, Michigan, to assess compliance with air quality rules and regulations. Upon arrival at the facility, it was apparent that it is no longer the site of Ermanco. The location is now owned by Bay Logistics, which is a warehousing company that uses the space for storing products between shipment processes. At this time there are no air quality concerns with the facility or the operations of the current owners. This facility will be marked as permanently closed and no further activity with the facility is necessary at this time.
