List of Partial Compliance Evaluations :

Activity Date	Activity Type	Compliance Status	Comments
11/24/2015	MAERS	Compliance	Reported zero emissions, as the facility remains idled / shutdown. May re-open in the future, as their permit is still active. The facility is classified as a Category II Fee Source (Michael Gabor).
11/24/2015	Scheduled Inspection	Compliance	Scheduled Full Compliance Evaluation (FCE) and Inspection. Facility Idled / Shutdown. May reopen if extra gasoline storage is required.
08/19/2015	Other	Compliance	Responded, via email, to their request to no longer report emissions to MAERS because past years have had zero emissions. They must continue to submit MAERS reports, regardless of emission levels, because they are a Fee Category II and NSPS-subject facility. To no longer be subject, they must void their permit and remove or disable NSPS-subject process equipment. Copies have been placed in the facility's file.
