Dear Ms. McMillion:

SECOND VIOLATION NOTICE

On December 6, 2016, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Julia's Cleaners, 209 W. McNichols Road, Highland Park, Michigan. The purpose of the inspection was to determine Julia's Cleaners' compliance with the federal National Perchloroethylene Air Emission Standards for Dry Cleaning Facilities, Title 40 of the Code of Federal Regulations (CFR), Part 63, Subpart M and the Public Health Code, 1978 PA 368, as amended, Dry Cleaning Establishment Rules Utilizing Class I, II, III, and IV Solvents.

On December 14, 2016, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by January 4, 2017. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our December 14, 2016, letter by January 25, 2017, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions or require further information regarding the violations or the actions necessary to bring Julia's Cleaners into compliance, please contact me at 734-564-6724; fax 586-753-3731, or jaskowski@michigan.gov.
