Kalamazoo, Michigan 49008-5418

SRN: K2131, Kalamazoo County

Dear Ms. VanDerKley:

VIOLATION NOTICE

On February 23, 2010, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), issued Renewable Operating Permit (ROP) No. MI-ROP-K2131-2010 to Western Michigan University (WMU), located at 1903 West Michigan Avenue, Kalamazoo, Michigan. Rule 213(3)(c)(i) of Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451), requires a permittee to submit a report at least once every six months of any required monitoring, and all instances of deviations from permit requirements.

At this time, the DEQ has not received WMU's Semi-Annual Deviation report, which was due March 15, 2015. This constitutes a violation of General Condition 23 of ROP No. MI-ROP-K2131-2010, and Rule 213(3)(c)(i) of Act 451. Also, the DEQ has not received WMU's Annual Deviation report, which was due March 15, 2015. This constitutes a violation of General Conditions 19 and 20 of ROP No. MI-ROP-K2131-2010, and Rule 213(3)(c)(i) of Act 451.

Please submit the report within 21 days from the date of this letter. Each report must contain a certification by the Responsible Official that the statements and information in the report are true, accurate, and complete.

If WMU believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violations cited above. If you have any questions regarding the violations or the actions necessary to bring WMU into compliance, please call me at the telephone number listed below.

Sincerely,

Dorothy Bohn
Senior Environmental Quality Analyst
Air Quality Division
