I am writing you in response to the violation notice dated April 15, 2016

The violation was "special condition III 1. " Paved roadway were not swept.

The sweeper truck was in route when you were here to inspect. Road way was swept of all debris by the end of the day.

I hope this satisfies the violations we received and if not please advise what further I need to do.

Thank you,

RJ Orozco – Vice President
