Dear Mr. Carter:

SECOND VIOLATION NOTICE

On January 3, 2018, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Walter P. Reuther Psychiatric Hospital (WRPH) located at 30901 Palmer Road, Westland, Michigan. The purpose of the inspection was to determine WRPH's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and the requirements of Title 40 of the Code of Federal Regulations (CFR) Part 60, Subpart III.

On April 11, 2018, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by May 2, 2018. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our April 11, 2018 letter by June 14, 2018, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.
