Dear Mr. Page:

SECOND VIOLATION NOTICE

On January 13, 2016, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Heritage Guitar Inc. (Facility), located at 225 Parsons Street, Kalamazoo, Michigan. The purpose of the inspection was to determine the Facility's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules; and the conditions of Permit to Install (PTI) No. 489-85.

On January 27, 2016, the AQD sent the Facility a Violation Notice citing violations discovered as a result of the inspection and requested your written response by February 17, 2016. A copy of that letter is enclosed for your reference. As of this date, the DEQ, AQD, has not received your response.

Please be advised that failure to respond in writing and identifying actions the Facility will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our January 27, 2016, letter by March 4, 2016, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violations or the actions necessary to bring the Facility into compliance, please contact me at the telephone number listed below.

Sincerely,
