Facility/Site Name Arbor Hills Landfill	Date/Time 11-17-2023 8:55am to 10:40am
Address 10699 W. Six Mile Road	Facility/Site Number WDS 475946
Participants/Contacts Anthony Testa	Staff Gary Schwerin

REFERRED TO:
REMARKS (weather, unusual conditions, etc.): 57^0, overcast, wind SW 5mph.Times rounded to the nearest 5 minutes.
After receiving numerous odor complaints, I completed an odor inspection near Arbor Hills Landfill.
I completed inspections and made the noted observations at the following locations:
50595 Northstar Way – No landfill odor at 8.55am
17475 Briar Ridge Land – Medium intensity (2.5) compost odor at 9:00am
50508 Tamarack Trail – Light (2) compost odor at 9:10am. 50500 Tamarack Trail was complaint address but not located.
49109 Freestone Drive – Light (2) Landfill gas odor at 9:20 am
16327 Johnson Creek Drive – No landfill odor at 9:30am
638 North Center – No landfill odor at 9:45am
111 Baseline Road – No landfill odor at 9:50am
21520 Chubb Road – No landfill odor at 10:05am
50937 Briar Ridge Lane – No landfill odor at 10:20am
Light (2) compost odor on Napier Road south of 6-Mile Road between the 2 northernmost air monitors. I noticed 4 fans I
believe are the "odor mitigating fans" used by the landfill, but they were not operating at 10:35am
Light (2) compost odor on 6-Mile Road between Napier Road and the compost area drive at 10:40am.
