Dear Mr. Bumgardner:

**VIOLATION NOTICE**

On February 20, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Royal Truck & Trailer Sales & Service, Inc. located at 23660 Sherwood Ave., Warren, Michigan. The purpose of this inspection was to determine Royal Truck & Trailer Sales & Service's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); and the administrative rules.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Garnet Blasting	Rule 201	Company installed and operated a garnet blasting machine which vents uncontrolled to the ambient air without a Permit-To-Install.

During this inspection, it was noted that Royal Truck & Trailer Sales & Service had installed and commenced operation of unpermitted process equipment at this facility. The AQD staff advised Royal Truck & Trailer Sales & Service on February 20, 2015, that this is a violation of Act 451, Rule 201.

A program for compliance may include a completed PTI application for the garnet blasting machine process equipment. An application form is available by request, or at the following website:

[http://www.deq.state.mi.us/aps/nsr\\_information.shtml](http://www.deq.state.mi.us/aps/nsr_information.shtml)

Be advised that Rule 201 requires that a permit be obtained prior to installation, construction, operation, reconstruction, relocation, or alteration of any process or process equipment which may be a source of an air contaminant.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by March 20, 2015 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If Royal Truck & Trailer Sales & Service believes that the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of Royal Truck & Trailer Sales & Service.
