| RESOLVED COMPLAINTS: | | |

On 10/11/1993 PTI #284-92 was issued to Kelly Manufacturing. On 9/1/16 I visited the site and did not find the company.

On 9/7/16 I talked with Ron Beauchamp from Cal Grinding (N2563). Mr. Beauchamp stated that Kelly Manufacturing went out of business about 20 years ago. Cal Grinding now utilizes the building Kelly used to use. The dip tank permitted under PTI #284-92 has long been removed.

A note will be sent to Ms. Sue Thelen to request to void PTI #284-92.

This facility can be removed from the UP district inspection database.
