ENFORCEMENT NOTICE

In the matter of:

Centurion Medical Products
301 Catrell Drive
Howell, Michigan 48843

SRN: N5109; Livingston County

ATTENTION: Mr. Andy Szakal

This letter is to advise you of the commencement of an escalated enforcement action against Centurion Medical Products (Company). This letter follows the April 22, 2021, Violation Notice (VN) issued by the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) to the Company. The VN detailed violations of Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994, PA 451, as amended (NREPA), MCL 324.5501 *et seq.*, the administrative rules promulgated thereunder, specifically Rule 901(a) of the Michigan Air Pollution Control Rules; Mich Admin Code, R 336.1901(a).

The AQD is providing the Company with an opportunity to formally resolve the violation through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of NREPA, MCL 324.5528.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (MDAG) for commencement of civil litigation. This Enforcement Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under federal or state law as appropriate.

Please contact me at 517-275-2620, or by email at RathbunJ1@Michigan.gov, no later than September 3, 2021, to schedule a meeting to discuss the resolution of this matter.
