RE: SRN N5145, MACOMB COUNTY

SUBJECT: VIOLATION NOTICE

Dear Mr. Lim,

We would like to address the issues related to the notice of violation dated October 24, 2017.

We have extended the stacks on the burn off ovens, and will be adding more height to them over the next couple of weeks.

Regarding the stacks on the bake oven, the stacks and fans have arrived at our location. These stacks cannot be installed during operating hours due to the oven being in use. We hope to have these installed between December 22, 2017 and January 3, 2018.

Very Truly Yours,  
Industrial Metal Coating

Philip Oliver  
President
