SUBJECT: Unannounced self-initiated inspection of the facility		
RESOLVED COMPLAINTS:		

On Tuesday, June 12, 2018, I, Michigan Department Environmental Quality-Air Quality Division staff Robert Joseph, conducted an unannounced inspection of A & A Asphalt Paving located at 4140 Lapeer Rd, Pontiac, MI 48053. The purpose of the inspection was to determine the facility's compliance with the requirements of the Federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 Public Act 451; Michigan Department of Environmental Quality-Air Quality Division (MDEQ-AQD) Administrative Rules and conditions of the facility's Permit to Install (PTI) 13-71.

When I arrived at the facility address, I discovered it was now a healthcare supply chain named ARC Healthcare Technologies. It is an advanced research company offering research for hospitals regarding inventory management technology solutions. A & A Asphalt Paving is no longer located at this address or in the nearby vicinity. The PTI will be voided.
