SUBJECT: Pet crematory		
RESOLVED COMPLAINTS:		

On 7/2/2014 I conducted an unannounced inspection of this facility. My contact was Ms. Jolene Graham.

The facility has stopped operating their pet crematory. Ms. Graham stated they have outsourced their cremation services to Autumn Valley located in Ann Arbor, Michigan (1-800-922-1415). Chippewa Animal Clinic still has maintained records of the animals sent to Autumn Valley. The outsourcing started in January of 2014.

I did observe the cremation unit and it appears to be in good condition. Ms. Graham stated they wish to maintain their PTI # 205-96 in the event it becomes more cost effective to operate in the future.

No violations of the facility's PTI #205-96 or the Air Pollution Control Rules were observed during this inspection.
