RESOLVED COMPLAINTS:		

On 1/13/2016, I conducted an unannounced inspection of this facility. My contact was the office manager, Ms. Priscilla Pine.

The facility has not used their pet crematory for 1 1/2 years. They send all cremations to Autumn Valley Cremations out of Prudenville and Gaylord. The unit is still operational and the facility will maintain their PTI #205-96 in the event it becomes cost effective to perform cremations on site in the future.

No violations of PTI #205-96 or the Air Pollution Control Rules were observed during this inspection.
