<b>RESOLVED COMPLAINTS:</b>		

Arrived and departed at 11:20 am

Anderson Fertilizers Inc. was a file cleanup. They had mixers to mix fertilizer on PTI 205-96. This PTI was voided on 8/14/1996.

An internet search yielded the information that the company was dissolved in 7/15/2004. I stopped by the address listed and confirmed that they were gone. The property is now used for storage with the business name of Four M Storage.

I will close the facility in MACES at the end of the fiscal year.
