RESOLVED COMPLAINTS:		

On 2/24/17 Gloria Torello, AQD, joined by Chris Bowen of DEQ, attempted to visit and inspect this facility. The SRN N6087 was identified as an active facility in MACES Report Generator:

- Report Name: Facility Staff Assignments,
- Staff: Torellog,
- EPA Class: Minor,
- View Report.

Directions: The facility was located in Otsego County, Charlton Township. The facility was located on the north side of Bass Lake Trail approximately a mile west of Gingell Road.

Application: This was an Antrim Gas facility.

Permit. On November 22, 1996 the AQD issued permit 645-96. A review of Permit Cards shows there is no active permit for SRN N6087. A review of the files shows a site visit report from 2004 which includes, "...abandoned site..."

MAERS: MAERS does not have any report for SRN N6087.

MACES:

- Facility Information was reviewed and the following changes were made:
 - o to Description was added: Antrim gas facility.
 - o Operating Status was changed from blank to Permanently Closed.

Inspection: On 2/24/17 DEQ staff attempted to visit and inspect the facility. There was a cleared field where the facility was. From Bass Lake Trail, a tank was observed through the trees. A Google Earth map shows a tank type structure present.

Conclusions: Via onsite inspection, review of the file, it is determined permit 645-96 was voided; the facility was removed except for a tank. MACES Operating Status was changed to Permanently Closed.
