Violation Notice Response**

Dear Mr. Lane:

Brembo North America, Inc. (Brembo or the company) is submitting this letter in response to the MDEQ's Violation Notice dated June 28, 2016 (VN). At this time, the company is providing below the updated written response associated to the VN.

The company is providing notification that on January 27, 2017, a CEMs unit was install, calibrated and considered fully operational on the shakeout process that was identified in the VN.

The basic installation was completed on the CEMs unit by December 29, 2016; however, the Foundry process was not operational at this time. Calibration and start-up was unable to be initiated until the week of January 9th, 2017.

Brembo considers all items associated with this VN satisfied and looks forward to working closely with MDEQ to close out this VN. If you have any questions related to the information provided herein please contact Jessy Conard directly at (734) 468-2092 or jconard@us.brembo.com.

Sincerely,

Brembo North America, Inc.
