RESOLVED COMPLAINTS:		

On December 7, 2015 I attempted to conduct an inspection at Elite Cleanroom Services LLC (Gleam America, Inc.). This facility is an industrial laundry washer that operates wet cleaner and dry-to-dry cleaning machines (using perc) under Permit-to-Install No. 267-97.

When I arrived at the site, the noticed that the building is now occupied by U-Haul. I spoke with a U-Haul staff and I was informed that they have occupied this site for approximately one and a half years. They do not know when Elite Cleanroom Services moved out. I confirmed with Joe Jaskowski, dry cleaner inspector that Elite Cleanroom Services has already moved out of that site.

PTI No. 267-97 will be voided.

Elite Cleanroom Services, LLC (Gleam America, Inc.) will be marked permanently shutdown.
