Dear Mr. Jensen:

VIOLATION NOTICE

On October 23, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), received a relocation notice for Construction Recycling Systems, Inc. (Facility). The notice indicated the Facility would be at a new location starting on October 23, 2015. This relocation notice and numerous others that have been recently submitted are being received late by the appropriate AQD district office. Special Condition 20.c of Permit to Install (PTI) No. 264-97 issued to the Facility requires that relocation notices be provided to the appropriate AQD district office not less than three days prior to the scheduled relocation.

Process Description	Rule/Permit Condition Violated	Comments
Portable Cement and Asphalt Crusher	Special Condition 20.c under the Allowed Modification Section of PTI No. 264-97.	The Facility has been submitting late relocation notices.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by November 24, 2015. The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If the Facility believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Mr. Todd Jensen
