Dear Paul Glotzhofer:

**VIOLATION NOTICE**

On August 31, 2023, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Rieth Riley Construction Co. - 7914 Impact Plant located at 411 East M-68, Afton, Michigan. The purpose of this inspection was to determine Rieth Riley Construction Co. - 7914 Impact Plant compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and the conditions of Permit to Install (PTI) number 485-99.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
FGCrushing - A non-metallic mineral processing plant consisting of a crusher, feeder, and associated conveyors.	R 336.2001, 40 CFR Part 60 Subparts A & OOO/ Special Condition 1.8	Three conveyors (a gray conveyor, an orange conveyor, and an overlander conveyor) at the plant have not been tested for visible emissions.
FGCrushing - New or additional equipment added to the existing non-metallic mineral processing plant	R 336.1201a(1) / Special Condition 1.12	Three conveyors that were not numbered (a gray conveyor, an orange conveyor, and an overlander conveyor) were not included on the EQP5756 forms for this PTI, and the permit section and District Supervisor were not notified prior to installing the equipment.

Please initiate actions necessary to correct the cited violations and submit a written response to this Violation Notice by October 27, 2023 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violations occurred; an explanation of the causes and duration of the violations; whether the violations are ongoing; a summary of the actions that have been taken and are

proposed to be taken to correct the violations and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

Please submit the written response to EGLE, AQD, Cadillac District, at 120 West Chapin Street, Cadillac, Michigan 49601, and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

If Rieth Riley Construction Company believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violations cited above and for the cooperation that was extended to me during my inspection of Rieth Riley Construction Company. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,
