RE: Violation Rule 201 Act 451
April 10, 2019
Operating without a permit.

We were not aware that a permit was required. We have filled out the permit, which I have attached to this mail. We are also sending the Permit Application to Adam Shaffer.

If you have further questions that I have not answered, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith Hunt". The signature is fluid and cursive, with the first name "Keith" being more prominent than the last name "Hunt".
