

DEPARTMENT OF ENVIRONMENTAL QUALITY
 AIR QUALITY DIVISION
 ACTIVITY REPORT: Scheduled Inspection

N747537842

FACILITY: VALLEY VIEW PORK		SRN / ID: N7475
LOCATION: MAPLE ISLAND RD SECTION 25 COLFAX TWP., WALKERVILLE		DISTRICT: Grand Rapids
CITY: WALKERVILLE		COUNTY: OCEANA
CONTACT: Fred Wolcott , Partner		ACTIVITY DATE: 12/06/2016
STAFF: Eric Grinstern	COMPLIANCE STATUS: Compliance	SOURCE CLASS: MINOR
SUBJECT: Unannounced Inspection		
RESOLVED COMPLAINTS:		

Inspection conducted to determine status of mortality incinerators.

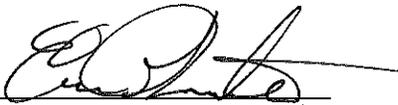

Valley View Farms previously voided all of the air use permits, with the incinerators remaining on-site at the farm units.

At the main office, staff met with Stacy Olsen, Valley View Farms. Ms. Olsen stated that Jim Speer was no longer with the company and that Fred Wolcott would need to be contacted regarding the status of the incinerators/handling of farm mortality.

Staff observed the farm units from the roadway. Staff did not observe any incinerators at the locations where they were previously.

Mr. Wolcott contacted staff on December 9, 2016. Mr. Wolcott stated that the incinerators were removed / dismantled. Mortalities are currently being landfilled or in-vessel composted.

All of the Valley View Farm units are in compliance with applicable air quality rules and regulations at this time.
